

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Chief Administrative Officer

At its meeting held December 13, 2005, the Board took the following action:

66-C

Supervisor Antonovich made the following statement:

“The Federal government has been issued a report card by the September 11 Commission on the Nation’s preparedness to respond in the event of a terrorism attack. They received failing grades in the areas of allocation of homeland security funds based on risk and vulnerability to an attack and for the inadequate radio bands available for first responders.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried, the Chief Administrative Officer was directed to send five-signature letters to the leadership of Homeland Security, the House of Representatives and the Senate, and to members of the County’s Congressional Delegation expressing the County’s position and concerns relative to the two failing grades received by the Federal government on the allocation of homeland security funds and the inadequate radio bands for first responders.
